UNDERSTANDING OUR SERVICES

Professional & Staff Services:

- **Basic Professional Fees (requires basic facility charge)**
This service is for the availability and professional services of a licensed Funeral Director, available 24 hours a day, 365 days a year. Consultation, arranging, direction and organization of all aspects of your individual needs and wishes. It also includes services in preparing contracts, correspondence and invoices. A basic professional fee is payable whenever we provide services.
- **Co-ordinating Rites And Ceremonies**
Co-ordination of all rites and ceremonies, before, during and after they have been provided, including services and supplies provided by us as well as those provided by third party suppliers. Co-ordination of services with the hospital, nursing home or cemetery/crematorium for removal and final disposition.
- **Staff Services For Visitation (requires facilities for visitation)**
All necessary preparation for visitation period(s), direction of visitors and family, receiving and arranging floral tributes, accepting memorial donations, assisting with religious or fraternal rites or services and cleaning after and between the visitation periods.
- **Staff Services For Ceremony (requires facilities for ceremony onsite/offsite)**
Preparing for the funeral, staffing the funeral home, co-ordinating parking and seating of family and friends, accepting memorial donations and receiving floral tributes.
- **Basic Preparation Of Remains (requires facilities for preparation/embalming/shelter)**
The general handling of the body and necessary safety precautions. Includes dressing, cosmetology, washing and placement of the body in the casket and setting of facial features for identification or viewing without embalming.
- **Embalming Of Remains (requires basic preparation of remains)**
The preparation, preservation and disinfection of the deceased. It is not a requirement of the law but is strongly recommended with open casket viewing or other special circumstances. Our professional funeral directors will make a recommendation based on the condition of the body and expected service needs. Embalming is the process of replacing blood and bodily fluids with chemical preservatives.
- **Transfer Of Remains To Funeral Home (requires initial transfer & service vehicle)**
This includes the staff necessary for the transfer of the deceased from the place of death to the funeral home. If the distance traveled is greater than 25 km an additional charge of \$1.50/km round trip will be applied.

Facilities:

- **Basic Facilities (requires basic professional fees)**
This is a minimum charge made in all cases for the use of our facilities and equipment. Includes use of parking lot, public areas of the funeral home, arrangement office, casket display room and other facilities and equipment required by the Funeral, Burial and Cremation Services Act 2002 for operation of a licensed Funeral Home.
- **Facilities For Visitation (requires staff services for visitation)**
Includes use of all public areas of the funeral home including visitation room, general office, religious equipment, parking areas and lounge for visitation period(s). This charge also applies for the necessary set-up time and equipment to conduct the visitation services at an off-premise location.
- **Facilities For Ceremony (requires staff services for ceremony)**
Includes use of all public areas of the funeral home including visitation room, general office, religious equipment, parking areas and lounge for ceremony. This charge also applies for the necessary set-up time and equipment to conduct the ceremony or memorial service at an off-premise location.
- **Facilities For Preparation, Embalming, Shelter**
Includes provision of a sanitary room with the necessary equipment and supplies required to embalm or transfer the deceased person. This room is used in all cases and provides a secure holding area. This charge applies whenever the body is in our facility for any purpose.

UNDERSTANDING OUR SERVICES

Automobiles:

- **Funeral Coach:** Transportation of the deceased to the place of the ceremony and/or cemetery. If the distance traveled is greater than 25 km an additional charge of \$2.00/km round trip will be applied.
- **Lead Car:** Transportation of the clergy as well as leading the funeral procession. This vehicle may be used to transport the cremated remains of the deceased to the place of ceremony and/or cemetery.
- **Transport Remains & Service Vehicle (requires transfer of remains to funeral home):** Provision of a properly equipped vehicle necessary for the transfer of the deceased from place of death to the funeral home. Provision of a vehicle for filing documentation necessary for our services and any other trips in conjunction with the services we are providing. This is a flat rate charge for all services that we provide.

Administrative:

- **Documentation (Permits, Forms, etc.)**
Obtaining necessary information to complete legal documentation required for the disposition of the deceased person, arranging for filing and registration of the death, procurement of the medical certificate of death, obtaining the burial permit, completing cremation application, obtaining coroner's certificate and providing 12 proof of death certificates.
- **Funeral Notice Preparation**
The composition and creation of funeral notices for the requested newspapers, radio and websites. This does not include the actual cost of the funeral notices in the newspaper or on the radio which are handled as disbursements
